Rosters for both the Tour of Texas and Texas Championship Series must be submitted by Wednesday, February 27 at 12:00pm to be eligible for the electronic check-in.

IMPORTANT NOTES:

- Incomplete rosters will receive an email before the weekend informing them they have not completed the team check-in process. Those teams must bring a signed copy to the championship desk on Saturday before their first match/work assignment.
- If you do not receive an email, you can assume you have officially completed the team check-in process
- Rosters must still be signed and include a phone number (see below for what must be included to be considered a completed roster)

Completed Rosters include:

- Updated jersey numbers, player's and coaches' names
- Roster must be signed and include a contact phone number for each team
